REPORT OF LIBRARY TRUSTEES

The total circulation for the year as reported to us by the librarian has been 4693 adult and 2190 juvenile volumes.

The Library and reading room have been open Tuesdays, Thursdays and Saturdays from 12 noon to 9 p. m., the same as during the previous two years.

Mr. and Mrs. Frank F. Fowle have presented to the Library an exceptional picture of Abraham Lincoln. This enlargement was made from a photograph taken by Alexander and James Gardner in Washington, Nov. 15, 1863.

As shown by the Treasurer's report, the reserve fund is nearly exhausted and either the Library will have to receive an appropriation from the town or its services will have to be greatly curtailed.

Many gifts of books and magazines have been received and we wish to express our thanks to all donors.

Number of volumes reported Feb. 1, 1936	11966
Number of volumes acquired by gift	536
Total number of volumes Feb. 1, 1937	12502

REPORT OF ELECTRIC LIGHT COMMITTEE

We have added new services to the following houses—George Colby, Robert Homans, Walter Harrington, Melzer Avery, Cecil Dow, Dr. Briggs, F. L. Robinson and A. L. Dodge.

The line has been extended under the PWA project started last year to several cottages at Lake Nubanusit and also a new line has been run from the Peterborough Road to the residence of A. L. Dodge.

We have received income from the Public Service Co. of New Hampshire of \$4,331.70 during the year.

The sum of \$100.50 is due the town from the New England Telephone & Telegraph Co., for their share of the cost of replacing poles on joint line.

As brought out at the special town meeting, there is at times a low voltage condition on the town's distribution system which may prove to be serious and may possibly cost the town a considerable amount of money before it can be remedied. We have engaged the services of a consulting engineer and have made a number of tests but due to the fact that the load during the winter months is much less than during the summer, it is difficult to get the exact conditions on the line during peak loads. We expect to continue these tests during the coming summer season and try to determine whether or not the line is overloaded.

We herewith submit the financial report for the year:

REPAIRS AND GENERAL EXPENSE

P. W. A. PROJECT NO. 1028R

Pursuant to the vote taken by the town the Federal Project No. 1028R was completed.

The water main extension was finished and service started in May 1936.

The electric line extension to Long Pond was finished and service started July 3, 1936.

The total estimated cost of project as approved by the P. W. A. Office was \$6,360.00 the federal share to be 45% of the total actual cost. This project was completed at a cost of \$5,139.28 in accordance with the rules and specifications of the Federal government, was audited and approved by them July 18, 1936 and the government's share of the cost paid to the town treasurer.

Respectfully submitted,

SIMON M. SHELDON

Acting as Engineer for the Town of Hancock

WATER COMMISSIONERS' REPORT

Rentals for the year to Jan. 1, 1937 to the amount \$1,181.98 have been committed to F. J. Barrows for collection.

New water main put in this year from the main street to residence of H. B. Currier and two hydrants installed. This was done under the W. P. A. deal at a total cost of \$2,009.98 of which the government paid \$904.49 leaving balance of \$1,105.49 paid by the town.

We renewed service pipes at T. B. Manning's, W. D. Fogg's Store and John A. Hill's at a cost of \$56.43; put in a new service pipe at H. B. Currier's, Alfred Fairfield's and Hugh Palmer's cost \$34.00; repaired hydrant at Katie Hayward's \$8.00; making total of \$98.43. Paid W. E. Putnam time and expense to Concord \$9.58.

H. M. SHELDON

W. D. FOGG

Water Commissioners

BOARD OF HEALTH

Contagious diseases for the past year were:

Scarlet Fever 1

German Measles 25

Pulmonary Tuberculosis 1

The town water has been examined according to the state law,
and has been found in good condition each time.T. BERTRAM MANNING
Health Officer

NEW HAMPSHIRE STATE BOARD OF HEALTH

Public Health Nursing Division Dec. 28, 1936

From 161 Court St., Keene, N. H.

Dear Sir:

Following you will find a report of the child health work which has been done in your community by the State Board of Health in 1936. This was done in co-operation with the local health agencies and other organizations as represented on the child health committee.

No. Child Health Clinics held	1
Attendance	43
No. defects found	31
No. defects found corrected	14
No. diphtheria immunization	
clinics held	0
Dental Clinics	0
No. Times State Nurses visited town:	
Routine visits throughout year	
(To patients in their interests or behalf)	

Signed HAZEL WAITE, R. N.
Staff Nurse, State Board of Health

TOWN AUDITORS' REPORT FOR 1936

We have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Electric Light Commission, Water Commission, Treasurer of the Town Common Fund, Trustees of Trust Funds, Trustees of the Public Library, Overseer of the Poor, Health Officer, Memorial Day Committee and Old Home Day Committee, and have found them correctly cast and properly vouched. We find in the hands of the Town Treasurer a balance of \$6,067.88; in the hands of the Treasurer of the Common Fund a balance of \$13.22; in the hands of the Treasurer of the Trustees of the Library a balance in the First National Bank of Peterborough \$214.62, the Peterborough Savings Bank accrued income \$98.35, the L. B. Thacher Fund, \$1,000.00; unexpended income \$27.68; Heber J. Davis fund, Iowa Southern Utility Company bond \$1,000.00; ten shares Public Service Company of New Hampshire, \$1,000.00.

GEORGE W. GOODHUE

MAURICE S. TUTTLE

Auditors for the Town of Hancock

Hancock, N. H., February 10, 1937

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD OF HANCOCK

With this report I am submitting the statistical summary of the Hancock schools together with the very complete report of Miss Margaret Harris, school nurse.

The enrollment by grades of the several schools follows:

	Primary			Intermediate				Junior High			Senior High		
Grades	I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII	Total
Boys	3	1	3	8	7	2	3	4	1	3	2	1	38
Girls	8	5	7	3	2	2	5	4	3	3	8	4	54
Total	11	6	10	11	9	4	8	8	4	6	10	5	92

The work of the several grades has been constantly checked and the necessary drill is being given where it is needed. The schools have all made substantial progress and much credit is due to the conscientious work of the teachers.

The primary and intermediate schools have been fortunate in having hot water installed with the opportunity for serving a hot lunch. Where so many pupils are transported this is a matter of importance where pupils are away from home at the noon hour.

The Hancock High School has been outstanding as an excellent high school for a number of years. Under the skillful guidance of Miss Manchester, the pupils have received excellent training from the cadet teachers sent from Keene and Plymouth Normal Schools.

There has been a remarkable spirit of cooperation in this town which has done much to make the work of our teachers pleasant and profitable.

The finances of the district have been very carefully handled and with the appropriation asked by the school board in their budget substantial progress in improving the text books used in the grades can be made.

I desire at this time to thank the school board, teachers, parents, and pupils for their cooperation.

LEWIS S. RECORD
Superintendent of Schools

February 15, 1937

HANCOCK STATISTICAL SUMMARY 1935-36

Whole number different schools maintained	4
Teaching positions	5
Changes in year	Cadet Service
Different pupils registered	103
Previously registered elsewhere	2
Not previously registered	101
Number of boys	52
Number of girls	49
Half days in session	356
Aggregate attendance	30,146
Aggregate absence	2,161
Pupils between 5-8 years of age	20
Pupils between 8-14 years of age	45
Pupils between 14-16 years of age	26
Pupils between 16-21 years of age	10
Per cent of attendance	93.91
Not absent nor tardy during year	3
Cases of tardiness	83
School houses used	2
Pupils transported	29
Average salary	912
School board meetings	4
School visits by board members	27
School visits by superintendent	137
School visits by citizens	223

REPORT OF SCHOOL NURSE HANCOCK

The routine inspection of each pupil's scalp, vision, teeth, skin, posture and general hygiene began with the opening of the school year.

The following defects were found when Dr. N. F. Cheever made the annual examination in October:

	No.
Pupils examined	95
Underweight 10%	10
Defective vision	2
Diseased tonsils	6

CORRECTIONS

	No.
Underweight 10%	2
Defective vision	1
Defective teeth	14
Diseased tonsils	3

Since the last report 75 school visits were made. 48 home visits were made to investigate pupils who were absent, to explain care and treatment of communicable diseases, to follow up defects and encourage parents to avail themselves of opportunities offered through the clinics for treatment and correction of their children's defects.

The tuberculosis association now conducts a limited number of skin testing clinics in high schools each year, for diagnostic purposes. As it requires a number of days to complete a clinic a large group is desired; however, if a sufficient number of pupils request the test we may have a clinic in Hancock this spring.

"The serving of hot lunch at school has always justified itself in all cases where it has been given a fair trial. In rural schools where, without this service, cold noon lunches must be depended upon five days in the week throughout the school year, the serving of one hot dish transforms the lunch into a meal and adds zest to the work of the afternoon. More far-reaching still is the generally improved health of the children, which is seen to follow."

During childhood the growth, development and health of the teeth is dependent more upon proper nutrition than any other factor. A balanced diet which includes adequate amounts of vitamins A, D, and C, must be given if we expect to obtain best results. Cod Liver Oil now being given in the homes and through the school is the best source of A and D vitamins. Oranges, tomatoes, and raw cabbage are rich in vitamin C.

In addition to good nutrition the teeth must be kept clean. When several baby teeth appear a little cotton on a toothpick should be used to cleanse between and around them. If through

carelessness or oversight a cavity appears it should be filled immediately. The old myth that baby teeth are unimportant has been the cause of more suffering to the human body than any other one thing during infancy and childhood. The baby teeth are the natural guides for the permanent teeth when they come. The so-called "six year molars," upon which mental and physical welfare of the child depend, are often lost. Parents think them temporary teeth and do not trouble about them.

The first teeth neglected or removed too soon will spoil the permanent set and should never be removed without the advice of your dentist. Much suffering, both mental and physical, would be prevented if the teeth were properly cared for from early childhood.

I thank the school officials, teachers, organizations, parents and pupils for their co-operation in the health world.

Respectfully submitted,

MARGARET E. HARRIS, R. N.

HANCOCK SCHOOL BOARD'S BUDGET**1937-1938**
